SUBJECT: Taiwan Export Credits for Shipments to Iran

REF: (A) TAIPEI 248, (B) SECSTATE 4760

**¶1.** On March 28, Taiwan's Central Bank Deputy Governor George Chou told AIT/Taipei that after searching into its database, Taiwan's Central Bank has not found any export credits provided by commercial banks for shipments to Iran. The only Taiwan source of export credits to Iran is Taiwan's Export-Import Bank, as reported ref-A.
